## SHIFTING BOUNDARIES CURRICULUM, GR. 5-8

The Alliance in Mariposa County is working on a 5-year project to sustain positive school climate using an evidence-based program called "Shifting Boundaries". The program includes a classroom-based curriculum and school-wide interventions that address personal space, respectful boundaries, and how to seek support from school staff. **The one-week unit using the curriculum will be taught to grade 5-8 students from December 10-14. Parents/guardians are invited to review the curriculum from November 26-December 7 in the school office.** Parents/guardians will have the opportunity to opt students out of the lessons.
