HYBRID LEARNING BEGINS WEDNESDAY

Hybrid Learning begins this Wednesday, October 21st. For further information, review the plan found here: <http://bit.ly/SFCS-HybridLearningPlan>.

DROP-OFF/PICK-UP PROCEDURES

No student may be dropped off before 8:25AM. For drop-off, all vehicles are to follow a loop in the parking lot to drop off students and to exit without parking. At the designated drop-off area, a staff member will invite students to exit for screening purposes, including a temperature check. Once checked and found to be symptom free, students will proceed directly to their classrooms. **To help mitigate traffic congestion, we ask families to follow this staggered schedule according to the first letter of last name when dropping off students:**

A-H: 8:25-8:35AM

I-P: 8:35-8:45AM

Q-Z: 8:45-8:55AM

For pick-up, drivers are to follow the loop in the parking lot without parking or exiting the vehicle. Students will remain with their class until their vehicle arrives at the designated pick up area. All staff will have radios, and students will be called to the pick up area when their vehicle approaches. **Please place a sign on the dashboard with the student name and grade to expedite the process. To help mitigate traffic congestion, we ask families to follow this staggered schedule according to first letter of last name when picking up students:**

TK/K + Students Opting for Early Release: 12:30PM

A-H: 2:00-2:10PM

I-P: 2:10-2:20PM

BUS REQUESTS & SCHEDULE

We are finalizing the revised bus schedule for Hybrid Learning and will share it shortly. **Those permitted to ride will be notified** with a reminder of bus safety procedures. **Only students with prior approval may ride the bus daily due to physical distancing requirements.** Bus riders will be screened before entry on the bus, required to wear masks and use hand sanitizer, and must sit where assigned.

MEAL SERVICE UPDATE

All meals are free for students through June 2021.

- Students participating in **Distance Learning and the Home School Program** may continue to pick up grab-and-go bags containing multiple meals on Mondays and Wednesdays from 10AM-12PM each week.
- Students participating in **Hybrid Learning** may receive single grab-and-go meals when on campus. Breakfast will be sent home with students the previous afternoon. Lunch needs to be ordered first thing in the morning each day. On Thursdays, students may take home grab-and-go-bags containing a breakfast and lunch for Friday when they are Distance Learning at home.
- Students who bring a **snack or lunch from home** are asked to also bring all necessary provisions, including napkins and utensils, and choose food items that will not require heating or help opening. Since students will not be eating in the cafeteria, it will be a hardship to provide extra items or heat food. Also, we want to avoid having staff members touch students' meal items.

NO TUTORING & ONLINE ENRICHMENT THIS WEEK

There will be no tutoring or intervention sessions this week. Scheduling will be revised due to Hybrid Learning before resuming the week of October 26th. **Online enrichment classes and virtual recess times are cancelled this week too.** The staff will be preparing for the transition to Hybrid Learning.
