VOLUME 9, ISSUE #9

SMOOTH START WITH HYBRID LEARNING

Thank you for your support and flexibility with the opening of Hybrid Learning last week. The students were outstanding, and it is wonderful to have them on campus.

DROP-OFF & PICK-UP CHANGES

Traffic was much less congested than anticipated last week, so we do not need to stagger the drop-off and pick-up times starting this week. **All students may be dropped off anytime between 8:30-8:59AM, and we are asking all students to be picked up at school by 2:15PM.** It will be helpful for students to not have to wait as long on campus before and after school. Thank you for your flexibility as we adjust to this new Hybrid Learning experience!

BUS REQUESTS & SCHEDULE

We have made adjustments to the AM bus schedule which will take effect Wednesday. The health screenings in the morning at the bus stops have gone much smoother than anticipated, so we are able to tighten up the schedule to minimize students' time on the bus. The updated schedule can be found here:

<http://bit.ly/SFCS-BusSchedule>

Due to space limitations, prior approval from the office is required for a student to ride the bus.

SFCS MASKS FOR SALE

Soft cotton and adjustable masks made for SFCS are for sale in the office for \$8 each or three for \$20. Child and adult sizes available. Support SFCS and get them while they last!

CHANGE IN OFFICE HOURS

The SFCS Office will now close at 12:00PM on Fridays. The office hours remain 8AM-4PM on Monday-Thursday.

SFCS OUTDOOR MOVIE NIGHT!

Please join us for an Outdoor Halloween Movie Night on the SFCS field this Friday, October 30th from 6:15-8:30PM. Using a large outdoor screen and sound system, we'll be showing the PG-rated movie *Scoob!* Admission is free, and guests are welcome to wear costumes. There will be treats for sale, and you may bring your own movie snacks. Families will be asked to stay in marked areas on the field to comply with physical distancing requirements. Bring a blanket or chairs for the ground. We hope to see you at this fun and safe school event!

THANK YOU, KIDS FIRST!

Ms. Starchman is the recipient of another grant from Kids First! With these grant funds she will purchase several *Who Was* book sets about historical figures. All of the books will be about prominent women who students will learn about during a Women's History unit. Kids First is a non-profit, volunteer organization formed to aid Mariposa County public school students by providing grants to teachers for supplemental funds for their classrooms.

TWO HOUR DELAYS AND NO SCHOOL DAYS

If weather conditions, power outages, or health conditions warrant school starting late or a "no school" day, you will receive a phone call. A new possibility is a "Distance Learning for All" day. Please make sure to update the office if your contact information changes so receive all notices. Delays and no school days are typically aligned with MCUSD.

DATES TO REMEMBER

- *Every Friday - Distance Learning only*
- **Mon., 10/26 - SFCS Board Meeting, 4PM**
- **Wed., 11/11 - No School, Veterans Day**
- **Nov. 16-20 - Conference week, 12:30PM dismissal each day for all Hybrid Learners**
