PARENTS' GUIDE TO MEDIA

Common Sense Media (commonsensemedia.org) is a useful one-stop site for parents/guardians seeking guidance in managing media sources that children may be exposed to. The site includes reviews of books, movies, and apps as well as help navigating topics such as limiting screen time, online safety, and social media use. Check it out!

OFFICE HOURS

Please note that the SFCS office will be closed for Thanksgiving Break and Winter Break. For urgent matters, please email Ms. Bolar at principal@sierrafoothillcharterschool.org.

ENRICHMENT CLASSES ON FRIDAYS

Students may tune in via Zoom to optional online enrichment classes or recesses each Friday after their required Zoom sessions with teachers. The schedule can be found using the following link: <http://bit.ly/FridayEnrichmentSFCS>.

LOST AND FOUND ITEMS

It is more important than ever to avoid a collection of Lost and Found items. Writing your child's name in clothing items and on lunch boxes and water bottles nearly guarantees a quick return. Thanks for your assistance!

HELPING YOUR CHILD WITH ORGANIZATION

Many students struggle with organizing their things, thoughts, time, and plans. Organization is an important skill for success. Here are a few simple tools parents/guardians may use to help develop this skill.

- Use a family calendar to note special dates, events, and activities. Consider using color coding to highlight different activities.
- Use checklists for routines like getting ready for school, completing chores, and other daily or weekly tasks. Include pictures for younger children.
- Get your child an analog clock and have him/her time tasks to help with understanding the amount of time certain tasks take to complete.
- Show your child that everything has a place (i.e., drawers, toy box, shelves).
- Use containers to store items that your child uses together (i.e., homework supplies, grooming items).
- Model organization and timeliness for your child.
